Dear Mary,

Many thanks for your Official Informal of May 14, 1958. The Volume summarizing 5 Years' Work in Librarianship, 1951-55 seems to be worth having. A formal order is being sent to you by OM. 25X1A9a

I understand from returning travelers that [REDACTED] is still at the Embassy. Please give her my regards. She was a tremendous help during my stay in London and I trust she is doing as well by you.

Sincerely,
